I consider it a great privilege to bear the position of the Principal of Richmond College, which stands majestically on a beautiful hill in Galle. First of all I remind with great respect, the founders of the college, former principals and old boys who rendered their utmost contribution to build up this prestigious college. Your presence here as the Chief Guest is a great honour to us all. Our chief guest, the Assistant Governor of the Central Bank, Mr.Sirikumara Kudagama is a proud product of Richmond College which was founded as a Wesleyan Missionary School during the Colonial days. I would like to mention briefly about his journey to success, hence it would be a great inspiration for the young Richmondites.

In 1983, he stepped into Richmond premises at grade 6 and served as a Prefect and the House Captain of the Darrel House. He held the captaincy of the College debating team and held the post of Corporal of Sir John Ambulance Brigade. Moreover, in 1990, He got through the G.C.E. A/L Exam with colours and was awarded with the "Darrel Medal" which is the most prestigious medal offered in the prize Giving. He entered the Faculty of Law of the University of Colombo in 1991 and

took the Oath of Office as a lawyer after receiving an Honors Degree and then, served as a lecturer in the Faculty of Law.

In the year 2000, He joined the Sri Lanka Central Bank and fulfilled the professional qualification as the Chief Compliance Officer, member of the Financial Stability Committee member of the National Payments Council and as a panelist of the Panel of Experts appointed under the Payment Devices Frauds Act as the Director of Legal and Compliance of Central Bank of Sri Lanka. He has qualified as an attorney at law – called to the bar in 1998 and also he holds the membership in the international compliance association even at present.

Currently he is holding the position of Assistant Governor of the Central Bank of Sri Lanka, bringing fame and honour to his alma mater.

His beloved wife, lawyer Mrs. Gayani Kariyawasam Kudagama is the shadow behind his success. Her presence here is a great honour to us.

The young Richmondsites who receive their prizes from two distinguished personalities like them are indeed fortunate.

On this occasion, Richmond academics are recognized for their excellence in the years 2020, 2021 and 2022. Let me remind that when the whole world was affected by Covid-19 pandemic, school system collapsed and it is not a secret that school had to close most of the months and learning happened through online. Therefore national examinations as well as prize giving of our school had to be postponed. The economic crisis that followed the Covid-19 pandemic, also disrupted school education. We are glad to mention that during such a socio-economic, political scenario we hold all these three prize giving evaluating our students' achievements.

Let's focus our attention on the result of grade 5 scholarship exam in the academic year 2020. Out of 290 students who sat the exam, 259 students have scored over 100 marks and the percentage was 89.31%. In the same year out of 370 candidates 354 of them were

qualified for the advanced level achieving a high pass percentage of 95.6%. It is noteworthy that 69 students obtained 9 'A' passes bringing glory to the school. Furthermore in 2020 out of 699 students who sat the G.C.E (A/L) exam 74.96% students were qualified for the university. In the academic year 2021, 288 students sat the Grade 5 Scholarship Exam and 233 students exceeded 100 marks. It is glad to mention that out of 357 students who sat the G.C.E (O/L) exam 48 of them passed with 9 'A' passes and 32 students got 8 'A' passes and 1 'B' pass. It is significant that 93.84% of the students were qualified to follow the advanced level. Out of the students who sat the A/L exam in 2021, 73.96% were qualified for the university entrance. There, 70 students secured 3-A passes and 64 students were among the district top 100 in Biological Science, Maths, Commerce, and Engineering Technology streams. It is praiseworthy that A.A Nithika M. Jayathilake got the Island 5th and District 1st rank in Biological Science stream while M.A.M Aazir became the Island 9th and district 1st. K.K.A Uditha Lakshan secured the District 6th in Commerce Stream while N. K.G Senadhirathne obtained the District 3rd position.

Let us focus towards the results of the scholarship exam in the academic year 2022 which was released recently. There 287 students sat the exam and 240 students scored over 100 marks. After a long spell our college has been able to produce the Island 1st rank in Engineering Technology and it was K.P Samuditha Nayanapriya who brought fame to his alma mater. Further, Island 4th and District 2nd ranks in Engineering Technology were achieved by K.G.K Dinil Hansara. The Christian Society of Richmond College has been an active community for many decades. It always collaborates with the other religious group in this diverse Richmond community to promote religious harmony among the students.

We, as a society, organize four major events around the year: the blessing service prior to the Richmond Mahinda Lovers' Quarrel, Thanksgiving service following the cricket encounter, the Founder' day holy mass and the Christmas carol service. These events play a prominent role in defining and promoting the Christian identity and spirit.

The Covid-19 pandemic caused the years 2020 and 2021 to end without incident. 2020 saw the cancellation of every programme scheduled and 2021 was no exception. In 2022, only the holy masses were celebrated to mark the Cricket encounter and the Founders' Day on the 1st of May and years came to an end without much pomp and show.

The College Song

Play up, boys of Richmond, all as one unite
Battle ever for the right and with all your might
Never mind a knock or two, never fear the fight
Get upon your feet again for Richmond's honour bright

CHORUS:

Richmond for ever, boys, let the air resound.
Richmond to the fore, boys. let the cry go round,
Dear to us is Richmond's honour, we will never say die.
All for Richmond, none for self, shall be ever our cry

Richmond expects that you will ever play the game
in the field or in the hall honour Richmond's name
Richmond stands for manliness and for honour bright
Be a man and honour Richmond by upholding right.

Richmond's dear memory cherish when you men become
In the greater field of life strive to overcome
Fight against all wrong and evil and you shall not fail
Remembering Richmond's motto you will ever prevail
